Furnaces and Boilers (Oil and Propane Only)

Eligibility Requirements

- Equipment must be installed by an Efficiency Excellence Network residential heating system contractor. A list of participating contractors is available at www.efficiencyvermont.com/een-contractors
- All boiler installations **must** incorporate high performance circulator pumps (HPCP). For a list of qualified HPCPs, visit www.efficiencyvermont.com/pumps.
- All installations must replace an existing heating system in an existing home (**not** new construction).
- All furnace installations **must** have efficient brushless DC motors (e.g. BPM, ECM®, ICM).
- Cannot be combined with the Home Performance with ENERGY STAR® heating system replacement incentive.
- For natural gas service and rebate availability, call Vermont Gas Systems at 802-863-4511.

Fuel Type	Minimum Efficiency %*
oil	≥ 87% AFUE
propane	≥ 95% AFUE

*Decimal values .5 and above rounded up. Values .4 and below rounded down.

Terms & Conditions

REBATE is for new equipment purchased and installed between January 1, 2018 - June 30, 2018 by customers owning a residence in Vermont. Equipment must be installed within the state of Vermont in a residential home. Rebate forms must be postmarked or received by July 31, 2018. Rebate offer is subject to change without notice and may not be combined with any other offer. **LIMITATIONS:** This form cannot be used for any non-residential project. **PROOF OF PURCHASE:** Invoice(s) must include the quantity, size, type, manufacturer, model or part number, purchase date, and vendor of the efficient equipment. All sales transactions and installations are subject to verification and inspection. By signing this form, the customer consents to allow Efficiency Vermont (or, the city of Burlington, Burlington Electric Department) 1.) to access the equipment for purposes of verification and inspection, and 2.) to disclose the customer's information (including but not limited to the customer's information included on this form and information on the invoice(s)) to the vendor and/or contractor who sold or installed the equipment to verify equipment purchase/installation and to collect additional information about the equipment and its installation. **LIMITATION OF LIABILITY:** Performance of installed equipment is not guaranteed expressly or implicitly. **ENDORSEMENT:** No particular manufacturers, products, or system designs are endorsed through this program. **PAYMENT:** Allow 60 calendar days for delivery of payment. Incomplete or missing information will delay processing of rebate form and payment. **MAXIMUM PAYMENT** will not exceed 100% of the equipment purchase price. Customer is responsible for all costs associated with sales tax, installation, and disposal/recycling. Customer is responsible for any tax liability associated with rebate payment. **CAPACITY CREDITS/ENVIRONMENTAL CREDITS:** In accepting these financial incentives, the customer agrees that Efficiency Vermont (or, for customers within its service territory, Burlington Electric Department) holds the sole rights to any electric system capacity credits and environmental credits associated with the energy efficiency measures for which incentives have been received.
